JUNTOSAbroad: Guatemala is a two-week intercultural dance exchange program for current college students and recent graduates ages 18-24, created to enhance artistic, professional, and personal growth through dance service work, leadership development, and experiential learning. This program cultivates international community through shared dance experiences, including teaching, choreography, collaboration, and performance!

Applications for the program are open now through December 5th, and the trip will take place June 2-15, 2026. This is a unique opportunity for dancers to travel abroad and gain valuable cross-cultural teaching and performance experiences similar to professional touring. You will not only learn to teach dance for diverse communities, but will also perform world renowned repertory by esteemed choreographers while experiencing new cultures and traditions. Through this rich cultural exchange opportunity, JUNTOS prides itself on inspiring dancers to push themselves as performers, teachers, and leaders, preparing them for a successful professional career after college.
