Ballet des Amériques / CABT is seeking technically proficient, classically trained dancers with great versatility, musicality, and remarkable stage presence who are fast learners. We aspire to bring together dancers who strive to become great artists and work well with the dancers, the director, and the company as a whole. The company is looking for individuals whose ethical awareness is important to them.

We are looking for mature individuals who are eager for in-depth work, detail-oriented, open-minded, and motivated. Positions are available for 3 men and 1 woman.

We are bringing together dance artists who possess the desire for the advancement, growth, and development of the company and themselves. Please note that the repertoire is musically and technically challenging.
