Seeking five contemporary dancers to play a role in a seven minute performance piece. Movement explores the rise and fall of four female friends. One dancer will be cast as the dark shadow which intervenes with the close bond, attempting to dampen the spirit of the sisterhood.

Hoping to start rehearsals as early as December 1st. "Hold Me Again" will premiere at Arts on Site next year with hopes of finding new stages later on.

If interested, please email macee.eppard01@gmail.com with your dance reel, resume, and where you're located (optional - social media handle).
