### 7MPR Theme Dance Theater - Midnights Performance Series 2026

7Midnights Physical Research is dedicated to the exploration of seven social issues: Class, Education, Ability, Sexuality, Race, Age, and Gender. These seven themes form the conceptual foundation of 7MPR's main program, Themed Dance Theater – Midnights Performance Series. Seven performances will take place over the years leading up to the 7th Midnight, and each performance will cover two or more of these social issues through dance. Each choreographer's work will express one or more themes aligned with these seven social issues.

Since 2019, 7MPR has produced three seasons of Themed Dance Theater – Midnights Performance Series. A new journey for Season 4 began in 2025 with the First Midnight Performance in January and the Second Midnight Performance in November. As an ongoing performance series, the Third Midnight Performance-Happy Pride, will take place on June 7th, 2026, celebrating the Pride Month in June and continuing to serve the dance and performing arts community in NYC and to build the vibrant artist community of St. Marks Place in the Lower East Side of Manhattan with more incredible artists. Join 7MPR! New year, new energy!
