Dance Audience Survey

Company: Ara Dance Project

Compensation: voluntary participation

Ara Dance Project is seeking input into how dance performances can be made more meaningful and worthwhile for audiences. We've put together an anonymous survey about your experiences, preferences, and ideas regarding dance performances, and would greatly appreciate anything you would like to share, regardless of your level of experience with or interest in dance. The survey should take 8-10 minutes to complete and can be found here: <https://forms.gle/4JMW5e7hTJxGTw1J6>
