Artistic Tribe NYC

Artistic Tribe NYC is the only print publication in New York that focuses exclusively on art. It is available for free throughout the city.

In the past three years, we have been honored to feature both internationally renowned dancers and companies, as well as emerging talents, and we are excited to continue our mission into the fourth year!

Our next print newspaper will be released in New York on February 10th and we welcome dancers and companies who wish to advertise their careers, missions, upcoming performances, classes, and more.

Additionally, we are proud to offer the lowest advertising rates for a newspaper in New York, with prices starting at just \$34.99 for an image and text.
