 Artistic Tribe NYC

Yup, you read that right!

Since 2024, we have been excited to offer advertising space on Times Square billboards for NYC artists and are always looking for new opportunities for our artists.

For 2026, we are proud to present a unique offer that allows you to showcase your image or video (7.5 seconds in duration) on TWO billboards all day long for just \$98.90. Your image or video will play once per hour on each billboard!

This is an incredible opportunity to get seen, with an average of 360,000 international pedestrians passing by and taking pictures daily.

Email us at [artistictribenyc@gmail.com](mailto:artistictribenyc@gmail.com) with a brief written description of what you would like to advertise to get started!(Your dance skills, your company, performances, events, etc.)

Deadline to get started: February 14th, however the opportunity will close as soon as all the spots are taken. First come, first served!

Your image or video will then play on TWO Times Square billboards on Saturday, February 28th.
