Please join us for our first ever *rogue wave* audition on  
February 22nd, 10-12 AM  
\*location sent via email

We are looking for three dancers to understudy two evening length dances - bouquet and (my battery is low) and it is getting dark that are touring to Illinois (May 2-4), Michigan (July 23-25ish), and England (June 5-7). From there, the dancers would be considered for joining the company as full time members for a future evening length (and residency) for a new work. Rehearsals are Sundays in March-June.

Curious about *rogue wave*? Come to our performance on January 29th (7 PM) or 31st (3 PM) at THE TANK. Email [catherinemessina1@gmail.com](mailto:catherinemessina1@gmail.com) for a discount code. Purchase tickets [here](#). We also have a [class series](#) on January 25th from 3-5 PM at the Tank attic space. Check us out on Instagram: @roguewaveroguewave.

*rogue wave* uses neuroscience as a jumping off point for making work, and has an emphasis on physicality and partnering work. We are a goofy, fun group and lighthearted energy is important to me.

As an understudy, you will not receive compensation unless you go into the work. If you are needed to perform, director covers your flight, transport, lodging, performance stipend, and per diem. Because of this, consider your interest before signing up! If you receive a contract afterwards as a full time member, you will begin receiving full pay for performances.

Please fill out [this form](#) for consideration. Folks will be invited to the in-person audition by Feb 12th.
