The Only Program of Its Kind in NYC!

Begins February 3rd, 2012

FACULTY: JoAnna Mendl Shaw, Nia Love, and Heidi Latsky!

The Choreographic Investigation Course (CIC) stems from DNA's overall mission to provide professional development, vocational education and support for dance artists in their creative evolution, career changes and life cycle. DNA's CIC is designed to meet the needs of emerging dancemakers who seek structure and encouragement in their choreographic development. It is a unique vocational-training program, providing creative freedom, community, artistic opportunities, and the chance to study composition, make work, and gain practical career-enhancing knowledge from working artists in the New York dance scene and abroad. The program features: Composition Courses, Career-driven lectures, "Choreolab", and opportunities for mentorship.
