Since 1993, HERE Arts Center has been one of New York's most prolific producing organizations, and today, it stands at the forefront of the city's presenters of daring new hybrid art. HERE supports multidisciplinary work that does not fit into a conventional programming agenda. Our aesthetic represents the independent, the innovative, and the experimental. HERE supports the work of artists at all stages in their careers through fully-produced works, commissions and subsidized performance and rehearsal space. In addition, HERE's staff provides marketing, technical and administrative support. All work at HERE is curated based on the strength and uniqueness of the artist's vision.

One of our most vital services, the SubletSeries@HERE Program, supports 250 guest independent artists and groups—such as New Georges, P73,Colt Coeur, and ViBe Theater Experience (an educational arts group for underserved urban teen girls)—and their audiences each season.

This creative curated rental program has allowed many upstart companies and emerging artists to realize their full artistic vision on a small budget. The program provides subsidized performance and rehearsal space, technical assistance, and administrative support, including a fully staffed box office. SubletSeries@HERE artists can also access equipment that is not typically available in venues our size such as video projectors, wireless microphones, LED lights—all for free or at subsidized rates. We accept applications from artists all over the world for the opportunity to show work.
