One Day Dance is a dance production company that specializes in film, photography, web design and graphic design specifically for dancers, dance companies and dance related institutions. Our dance company is now preparing to go into our second season. We are seeking nine choreographers for our 2019 season. Choreographers will set their original choreography on our company members and have it filmed at a site-specific location. The process will be recorded and edited into a documentary. We are looking for both emerging and experienced choreographers. Artists interested in any choreographic style are encouraged to apply.

Applications will be viewed and voted upon by all ODD company members. Time is running out to apply for our 2019 season. Please apply through our google form by 11:59 PM on December 15th 2018 to be considered.
