Dancers Unlimited is a bi-city company based in Honolulu and NYC. Turning 10 this year, our NYC team (DUNYC) is launching our first NYC Summer Intensive + Choreography Lab. Train in diverse dance styles from Ballet, Contemporary, Waacking, Partnering to Afro-House, in our drop-in classes, and stay for our Choreography Lab to explore your choreographic voices. The Choreography Lab is a perfect resource for dancers to expand their choreographic tools, to work with choreographers, and for choreographehrs to expand choreographic ideas. The Choreography Lab culminates in an in-studio showcase with Q&A and professional video documentation.

This year, we'd like to invite you to join us and celebrate Immigrant Excellence, as we gathered a team of steller teachers who have immigrant stories to share.
