American Dance Abroad's biannual "Pitchbook" is a print and digital publication that promotes new projects by U.S. dance artists to international dance programmers. The print edition is distributed at networking conferences and gatherings such as Performing Arts Market Seoul, China Shanghai International Arts Festival Performing Arts Fair, and more! The digital edition is available for download from the ADA website and is distributed to hundreds of international programmer colleagues through ADA's newsletter.

American Dance Abroad will select approximately 10 projects that have premiered after September 1, 2018 or will premiere before September 30, 2020, in this sixth edition of "Pitchbook". The cost to submit is \$30; there is no additional publication fee for selected projects.

Browse past issues, learn more about the benefits of being included in "Pitchbook," and read our "Frequently Asked Questions":
