Ardsley House Choreographic Residency

Application Deadline: February 29

Application Fee: \$25

Three years ago the Dance Gallery Festival partnered with the Catskills Art Society (CAS) to offer two choreographers a three-day residency in the picturesque mountains of the Catskills, New York. The residency takes place in and around the CAS art galleries of Livingston Manor, New York, about 100 miles north of Manhattan. The selected artists work in open rehearsals, teach community classes, and the residency culminates with a free performance at the Beaverkill Valley Inn. The finished works are later performed during the festival in NYC.

Artists selected for this residency receive the following:

- 18-20 hours of rehearsal space
- Opportunity to teach a community class
- Informal in-process showing at the Beaverkill Valley Inn
- Transportation for 3 (choreographer + 2 dancers) from NYC to the Catskills
- Lodging and meals??a??

This residency program is open to submissions. Interested artists should submit a proposal for a new work to premiere at the Festival in NYC this fall. The work should not exceed 15 min in length. The two selected artists can each bring up to 2 dancers to the residency. a??

Residency Dates: September 4-7 - Labor Day Weekend
