Experience an unforgettable evening of dance as Artistic Ventures in Dance (AVID), launches its second season with BOUNDLESS: Where Ballet's Future Takes Flight!

Artistic Director Emily Speed has curated a dynamic evening of classical and contemporary works by some of today's most exciting choreographers, as well as a tribute to the legacy of American dance.

Audiences will enjoy the dynamic and exciting choreography of Alexa Rose Foundation awardee Daniel Ojeda's acclaimed work, "Persona", with music by Marc Mellits, alongside an expanded version of Quinn Wharton's crowd favorite, "Impluse". To honor the rich history of classical dance, AVID presents Gerald Arpino's iconic "Confetti"—a timeless work that continues to inspire generations of dancers. Finally, the evening will feature a newly commissioned work by Cherice Barton. Barton's choreography is accompanied by an captivating & original score composed by Anne-Marie Keane, promising a performance that gives audiences a fresh and thought-provoking experience through music & dance—one showcasing ART that MOVES.

Founded by Emily Speed in 2024, Artistic Ventures in Dance is a dynamic dance organization committed to pushing the boundaries of movement, storytelling, and artistic excellence. The company reimagines how audiences connect with dance by providing an innovative environment for choreographers and dancers to explore classical ballet through a contemporary lens, making ballet accessible and exciting for today's audiences.

AVID is based in Boulder, Colorado, where it fulfills the need for dance in many communities around the state. At the same time, AVID cultivates projects in New York City, boldly bringing cutting-edge ideas to the dance scene in Colorado and NYC that inspire and engage audiences, while fostering collaboration among musicians and artists outside the sphere of dance.

As AVID continues to evolve, the company remains grounded in its mission to inspire, engage, and innovate. With a clear vision for the future and impressive momentum, AVID is set to continue to impact the world of dance in the years to come.
