2015 NEW YORK SPRING SEASON

March 7th 6:30pm – March 8th 4:00pm
March 14th 8:00pm – March 15th 4:00pm

This Season's program will include the premiere a brand new work by Italy-native Macia del Prete entitled *Gestures*; the Company premiere of *Crazy... Crazy Love!!!* by French choreographer and dancer Manuel Vignoulle; and the crowd favorite *Evermore* choreographed by Complexions Contemporary Ballet's Dwight Rhoden. Also premiering this Season is Igal Perry's ballet *Thundering Silence*, which was showcased in excerpts in the Fall of 2014 to rave reviews: "Igal Perry is a master at his craft; he is an artist unafraid to explore, to stretch himself in how he approaches and uses the body in space. Bravo Mr. Perry, bravo indeed." (Darrell Wood-NYC Dance Stuff).

Our Opening Night on March 7th includes a special performance by the Peridance Youth Ensemble and a Benefit Dinner to follow, starting at about 8:00pm. Exclusive tickets are now available at peridance.com/pcdc.
