WHITE WAVE will present our 2019 SoloDuo Dance Festival with 29 participating choreographers/companies in 3 different programs. As in past years, performing artists hail from Europe, East Asia, metro NY, and across the US.

To celebrate the distinct art of the solo and duet, while creating additional opportunities to display the latest work of both emerging and mid-career choreographers, WHITE WAVE's 2019 SoloDuo Dance Festival will be held at Dixon Place, a setting nestled in the heart of the Downtown scene. This space inspires performing artists of all stripes and callings to stretch the limits of their creativity and take it to new heights.

The SoloDuo festival's foremost priorities, to serve as a safety net for artists, and to provide vivid experiences for audiences, make Dixon Place a one of-a kind venue to showcase an intimate solo or duet.

Our SoloDuo Festival invariably receives the most enthusiastic audience response. Viewers are taken by the consistently artistic excellence across such a diverse range of performers and styles.
