2Night Show: Chez Bushwick Artists in Residence

Artists in Residence: J. Bouey, Elena Rose Light + Henry Holmes, Itamar Segev, and Kwok Verrill

J. Bouey

Choreographed and performed by J. Bouey, in collaboration with Wendell Gray II

This work is motivated by the effort and spiritual practice of unlearning and mending ones self to cope with the burden of Racial Trauma, as well as questioning and exploring how to facilitate this healing process through movement.

Follow J. Bouey Dance Projects on Facebook.

Itamar Segev: Out Damn Spot

Written, composed, and choreographed by Itamar Segev

Out Damn Spot is a performative attempt to embody the necessary heartbreak and confusion that happen when white ideas of 'home' and 'good' are confronted with the compartmentalization, lies and erasure that allow that home to exist to begin with.

Elena Rose Light + Henry Holmes: Blanket Statements

Kwok Verrill: Wormhole
