Introducing, Making Space, a 3-day online workshop offering you an opportunity to explore your artistry alongside artists specialized in Graham, Ballet, and Limón. Each day will serve as a completely separate experience, highlighting a new form of dance. Dancers will begin each day with a 45 minute somatic practice, followed by a 90 minute Graham, Limón or Ballet Master Class. After a short break, the day will conclude with a 70 minute elective, providing an opportunity for creative expansion. Attendees will be able to register for the 3 Day Experience (\$75) or purchase a Day Pass (\$35) for any one of the three days. We welcome all pre-professional/ professional artists to explore with us as a community of movers.
