Dance Reflections by Van Cleef & Arpels presents Néo Flouret's 900SATELLITES, featuring dancers performing outside at the 550 Madison Avenue Garden as a part of Fifth Avenue Blooms.

Born in 1995 in Orléans, Néo Flouret develops open projects, usually in hybrid spaces outside theaters. Since 2019, he has collaborated with choreographer Anne Teresa De Keersmaeker, co-creating a solo/duo in 2021 as part of the "Dark Red Project" at the Fondation Beyeler in Basel, Switzerland. Together, they have been developing several choreographic projects designed to occupy various contexts: museums, natural spaces and public places.

This event is free for the public.
