ALTER-WORLDS ((COSMIC FUNK)) AFTER-PARTY

Join us for the Alter-Worlds ((Cosmic Funk)) After Party on Twitch!
[http://twitch.tv/pandemixDJs]With panelists and DJs Stacey Robinson & tobias c. van Veen throwing down Afrofuturist cuts from across the cosmos, from outerspace dub and funk to interstellar hip-hop, from Detroit techno & electro to Chicago house & beyond. Come hang in the chat, float some emotes & get funky as we celebrate with soul-stirring sound the NYC Alter-Worlds After Party!
The After Party will be followed by PANDEMiX!, the weekly vinyl tagteam show hosted by tobias & dj Professor BEN (Los Angeles/CSUN) ~ so feel free to kick back as the beats will flow well into the night!

DJ STACEY ROBINSON (Urbana-Champaign) is a fine purveyor of Afrofuturist funk & soul, hip-hop & house music. An Assistant Professor of graphic design at the University of Illinois at Urbana-Champaign, Stacey is a graphic novelist and one half of collaborative team Black Kirby. His smoove sets can be found at: https://www.mixcloud.com/StaceyARobinson/

DJ TOBIAS (Whistler CAN) is a veteran vinyl selector hailing from the West Coast technoculture, known for dropping deep & cosmic cuts gleaned from decades of collecting the Afrofuturist underground. A Visiting Professor in Media Studies and Philosophy at Quest University, tobias is series editor of Afrofuturist Studies & the Speculative Arts at Lexington. His interstellar sets can be found at: http://soundcloud.com/djtobias
