About the American Tap Dance Foundation

The American Tap Dance Foundation (ATDF) is a non-profit 501c3 organization committed to establishing and legitimizing Tap as a vital component of American dance through creation, presentation, education, and preservation. ATDF is recognized as a local, national, and international leader in the field and continues to further three main objectives:

● to perpetuate tap dance as a flourishing contemporary art form on a National and International level.

● to provide a basis for the growth of tap dance by teaching new generations through comprehensive educational programs.

● and to preserve the artistry of the early generations of tap masters.
