AUTHENTICATE THIS, the workshop w/ Katie Workum

Friday-Sunday, October 13-15 // 2-5pm

\$20 Single Class / \$60 Full Workshop

During this immersive workshop over the course of three days, we will dive into the deep end of your own great unknown with Authentic Movement and improvisations through a scaffolded system that I have developed over the last four years with my company. Through both mind and body investigations we will bring to light our habits and hang-ups, and the trials and joys of moving, bringing ownership over our whole selves as persons, makers, performers and witnesses. This workshop is for anyone who wants to stop and take a breath, to look at what you have been taking for granted, to expand then release, meld feeling and knowing, separate intuition from impulse, re-assign hierarchies between expertise and honesty and to learn and be humbled by the great unknown.
