Company: The Field
Venue: Gibney Dance
Location: New York, NY

► [Share](#) | [Print](#) | [Download](#)

Join us - artists, cultural workers and other stakeholders in the arts community - as we explore the question:

How can we create a more equitable arts sector in New York City?

[Tickets are available on a sliding scale and include lunch and a networking cocktail hour: \\$40 || \\$80 || \\$120](#)

Our Keynote speaker [Renée Watson](#), will call our community to action. The two mid-day workshops, offered by the co-directors of [JACK Arts](#) and Rachel DeGuzman of [21st Century Arts](#) and Field Leadership Fund Manager Fellow, will give participants strategies for action. We will end our day with community building during a Plenary Session and a Networking Hour with free libations.

Participants will also have the opportunity to share their responses: experiences, concerns and answers, to our driving question with the community via our video station set up throughout the day.
