Workshop Description: With traditional African movement as its base, while multi-layered with a modern aesthetic, this workshop series centers within two rites of movement: go in to go through (meditation) and go through to go out (transformation). All in effort to connect to the first drum and spiritual center: the heart and the mind, respectfully. Created by the late Kemetologist (Egyptologist) and multi-faceted Artist, Lee Aco Thompson, this workshop yields to invigorate the self to be spiritually physical and physically spiritual. - One must activate one's self to be one with creation.

Bring a journal and writing utensil to class!

Teacher Bio:

The bio-kemet-cal essence of Men Ca is in his name: Mata is Energy from the Nucleus of the Ca'nsconscious Atam. A practitioner of defining that which he does through that which he is (i.e., Men Ca), his absolute Art and Science is to be ca'nsconscious at all times, in all times. Thus, deepen the life force energy of love and understanding.

As a fourth generation Horton modern teacher and a soul conduit of the African based rite of movement, Piragramac (developed by the late Lee 'Aco' Thompson), the underpinning energy of Men Ca's teaching, especially with Piragramac, is to ascertain being spiritually physical and physically spiritual; exhilarating the body to be in tune with the first drum and the first spiritual center, the heart and the pineal gland, respectfully.
