After The Feast is a dance-theater project that fuses movement by Tiffany Mills, dramaturgy by Kay Cummings, music by Jonathan Pratt, and performance by six dancers. Mary Kokie-McNaugher (costumes), and Chris Hudacs (lighting designer) will join the collaborative team for the 2016 premiere. This hybrid work imagines an urban dystopia caused by vanishing resources. Mills' highly physical movement and daring partnering propel the performers into this dire situation – the next phase of human existence. In it the collaborators ask: can a community emerge from an urban wasteland? La MaMa will present *After the Feast* in the spring of 2016 as part of the La MaMa Moves! Dance Festival.
