[Ailey Experience Workshop](#) offers dancers ages 8-12 and 13+ from around the world the opportunity to train and perform in a variety of dance techniques—now even more accessible online.

Classes and workshops are taught by prominent New York choreographers, former Ailey company members, and acclaimed instructors who are committed to offering a unique dance experience for all levels.

Ailey Experience is designed to embody the diversity of the Ailey dancer with technique classes in ballet, Horton, contemporary, hip-hop, West African, and Broadway jazz, while introducing dancers to an exciting world of choreography, creativity, and fun in a non-competitive environment.

All levels are welcome, no prior dance experience is required.
