Natalia Bougadellis

Alessandra Corona Performing Works returns to the Theatre St. Jean Baptiste with a program of dances by four choreographers: Corona, Maiya Redding, Isaies Santamaria Perez, and Manuel Vignouille. Corona, former longtime principal dancer with Ballet Hispanico, continues to present dances that incorporate voice, song, and videos. Part I of the program will consist of three short works by Corona, Redding and Perez. For Part II the Company will repeat Vignouille's popular W2! (Women Too!), the choreographer's clever and insightful response to women's changing roles in society and how they are viewed by men.
