About Amanda Selwyn Dance Theatre/Notes in Motion

Founded in 2000, Amanda Selwyn Dance Theatre/Notes in Motion presents dynamic dance theatre productions that activate emotional expression. Through an interplay of athletic and articulate motion, we present theatrical and immediate works that engage audiences from start to finish and beckon a response of thought, feeling, and soul. Our education program, Notes in Motion, brings inclusive dance programs to the NYC Public Schools in styles including modern, ballet, tap, jazz, hip hop, Latin, African, and more. Programs are united by our singular approach to dance education, The Movement Exchange Method, which combines technical instruction with creative skill-building and collaborative learning. We aim to provide access to the art form of dance to inspire the next generation of dance appreciators. In the last three years, our dance education programs have grown from 87 programs and 45 school partners per year to 167 programs and 75 school partners. This year, Notes in Motion brought dance to 20,675 students and delivered 5,434 program sessions throughout NYC. Programs directly benefit underserved communities who have historically faced a lack of arts education.
