To celebrate the 20th Anniversary of Baryshnikov Arts (BA), Mikhail Baryshnikov has invited Azure Barton and Benjamin Millepied back to Baryshnikov Arts Center to choreograph an evening of new work. Barton and Millepied were not only the first choreographers to create in the organization's studios, but also to collaborate with Baryshnikov himself at BA. This project will mark 20 years since the creation of the Center, which supports and nourishes creatives and creation in New York City.
