TAKE Dance Company, led by Artistic Director and Founder Takehiro Ueyama, emerges again as a luminary force with *Anamnesis*. This moody and exhilarating evening of dance highlights the choreographic voices of three members of the TAKE Dance family: Takehiro Ueyama (Artistic Director), Jill Echo (Associate Director), and Brynt Beitman (Company Member). *Anamnesis* will run for three days (May 23-25) at The West End Theatre.

*Anamnesis* unearths three emotionally potent interpretations of how memory effects the psyche. TAKE Dance's commanding performers bring depth to powerful choreographies. Phillip Gardener of Oberon's Grove said of the company, "Take's dancers are outstanding, both as performers and personalities". The evening's intense introspection is complimented by TAKE Dance's signature dynamic athleticism.

Tickets are \$20 online and \$25 at the door. There are tickets available to our Opening Night party where you can meet the cast of *Anamnesis* over wine and hors d'oeuvres.
