PERFORMANCE: OCT 20 - 21, 2022

DOORS: 7P

PERFORMANCE: 7:30P

Art Cake is pleased to present its second dance series and performance featuring work by Kristel Baldoz, Vinson Fraley, Morgan Griffin, Sayer Mansfield, Raymond Pinto, and Grace Yi-Li Tong. The 2022 series is organized by Marina Gluckman and Morgan Griffin and is fiscally sponsored by The Brooklyn Arts Council.

During the residency period, each dancer is provided a studio at Art Cake to develop a solo or duet. Inspired and informed by the space and each artists' personal investigation at this moment in time, the solos and duets will be presented side-by-side in a culminating performance, OCT 20 - 21, 2022.

The program at Art Cake aims to highlight the importance of the dance community, and expand this community and audience in placing it in an alternative and new space based in Brooklyn's Sunset Park neighborhood. The goal of the series is to provide space, opportunity, and an expanded network to each participating dancer, as well as to bring dance to those who may have not experienced it before.

Please consider making a tax-deductible donation in support of the work by the talented New York-based artists!
