BARKIN/SELISSEN PROJECT ("B/S P"), a New York City-based contemporary dance company founded in 2009, presents the choreography of Artistic Directors Kyla Barkin and Aaron Selissen through live performance, film and workshops. The company strives to blur lines between the emotional and intellectual, dream worlds and waking states. With dramatic shifts from nuance to explosive athleticism, Artistic Directors Kyla Barkin and Aaron Selissen's choreography infuses fresh perspective on subjects ranging from the complexities of mathematics to the complexities of human nature. #### About Arts on Site

Arts On Site is a women-led nonprofit arts organization dedicated to providing artists with opportunities to create and perform new work. Arts On Site began as an event to showcase artists. The event was an initiative from professional artists Chelsea Ainsworth, Kyle Netzeband, and Adrian Rosas, to connect artists from multiple art forms. As the event grew, a diverse community of artists grew and the concept for Arts On Site was born. For more information, visit [artsonsite.org](https://www.artsonsite.org/).
