### About the Artist

Al Blackstone is an Emmy-nominated director, choreographer, and educator. His passion for bringing people together to experience something meaningful drives him to make dances, tell stories, and encourage joyful connection. Born in New Jersey and raised in a dance studio, he has called New York City home for more than a decade. In that time he has created emotional work for the stage and screen, thrown dance parties for charity, and introduced hundreds of people to one another. He believes deeply in the power of dance, community, and kindness.

"Arts On Site began presenting artists in 2016 at 12 Saint Marks Place," said Chelsea Ainsworth, Executive Director of Arts On Site. "After 350 shows throughout the pandemic, AOS decided to build out a new performance space, Studio 3R, in May 2021 and began presenting artists in June. The space includes installing new black curtains, professional lighting, marley floor and risers for audience seating. We are so pleased to offer artists an intimate, professional, new performance space in NYC."

#### About Arts on Site

Arts On Site is a women-led nonprofit arts organization dedicated to providing artists with opportunities to create and perform new work. Arts On Site began as an event to showcase artists. The event was an initiative from professional artists Chelsea Ainsworth, Kyle Netzeband, and Adrian Rosas, to connect artists from multiple art forms. As the event grew, a diverse community of artists grew and the concept for Arts On Site was born. For more information, visit [artsonsite.org](https://artsonsite.org).
