BARK! an unseen dance for blindfolded audiences

Company: Dana Salisbury and the No-See-Ums

Venue: The Performance Project @ University Settlement

Location: NY, NY

You are inside the action wearing a blindfold. All light is blocked; you see nothing. The performers reveal themselves and the space through sound, smell, temperature, air currents, touch and vibration. Your body is the conduit. Your senses connect you to an offered world and your own interior life.
