BEAUTY, created by SOULSKIN Dance Artistic Director and Choreographer Adrianna Thompson, is a psychological ballet in six movements, illustrating how humanity needs to move past the forces at play in the world to restore their own divine power and concept of true beauty. "BEAUTY reveals our need for human connection and how we need to be our own compass in a world full of noise and chaos," says Thompson. Come see the world premiere at Mark Morris Dance Center, September 27th and 28th at 8PM. Click here to buy tickets!
