Tumble into Beverly Blossom's quirky, tender and torrid dances that consume space, revel in persona and touch viewers.

We celebrate Beverly Blossom (1926-2014) with excerpts of signature works, in turn, vividly imaginative and layered with interest, such as *Poem for the Theater No. 6* (1963), *Dad's Ties* (1983), *Besame Mucho* (1987), *The Incomplete Lament of an Old Dancer* (1999). Includes archival film footage and a panel discussion with artists influenced by this compelling solo dance artist.
