Ballet Tech

Ballet Tech's Kids Dance returns with the bubbly Balkan KYDZNY, with more effervescent dancing kids than raindrops in a sun shower. Don't miss KYDZNY and other pop up and frabjous repertory from Eliot Feld, danced by the remarkably poised, scrupulously schooled, and impeccably rehearsed students from the Ballet Tech school. Give yourself a treat!

The Joyce Theater
175 Eighth Avenue
New York, NY, 10011
