Battling the winter blues? Wanting to get your bodies moving? Battery Dance is creating a series of three zoom dance classes for kids in NYC with our talented teaching artists. This will be a great opportunity for students from across the five boroughs to meet each other, to dance together, and find new avenues to express themselves. In Hip-Hop, Improv, and Contemporary classes, students will get to experience our world class teaching artists and get to know a little bit of what it's like to be a professional dancer. Chase away the post-holiday drain with some fun and free movement!
