Opening a First Year Class
September 2018.
Application deadline: August 1, 2018

We're excited to announce the opening of a brand-new first-year class in September 2018. This course is open to all applicants who want to start a professional training in eurythmy in the English language. Our fall semester curriculum commences with an exploration in the basic elements of speech eurythmy and an invigorating block of rod exercises, surrounded by introductory courses in anthroposophy, biodynamic gardening, poetics, and others that support first steps in eurythmy.

For those not familiar with our campus, our school is part of the Threefold Community, which is nestled on 140 acres of land, twenty five miles northwest of New York City. Other activities like the biodynamic gardening training, Waldorf Teacher training, fiber craft training, food coop, and Waldorf School, give us a rich community life, bringing people from many continents and countries to participate in courses offered in the arts, sciences and education.

Information and application can be found on our website at www.eurythmy.org/school, or by contacting the Student Services Coordinator at 845.352.5020, ext. 113, or info@eurythmy.org.
