Unlock the secrets for sevillanas, tangos and bulerías and tangos. Sevillanas contains essential Spanish dance positions, pasos and movement with or without a partner. Tangos and bulerías are originally fiesta forms for showing off aire and interacting in a flamenco jam context. They use cycles of 6-beats, 8-beats and 12-beats. The trickiness of footwork rhythms are not as important as getting the feel of the music.

Next Cycle: 3/31, 4/7, 4/14, 4/21

All Online Class Prices

\$25 Walk-in, \$96 Pre-paid 4-pack
