We've recently started a new castanets class for absolute beginners. This class is starting from zero and is the perfect way and moment to approach this musical instrument. You can learn to play the castanets with this fun, dynamic method. You will improve your musicality while learning this new technique. No worries, you don't have to know music, we're starting this from zero too.

Working with castanets will also work toward strengthening beautiful flamenco fingers and hands.

Castanets are provided and you do not need any previous experience as a dancer or musician.

Join us every Saturday from 4:30 pm to 5:30 pm!
