By Rebecca Davis

A HERE Resident Artist Production
April 29-May 9 at 8:30pm

Tickets \$20

Bloowst windku [bloom-twist-windmill-haiku] is an hour-long performance for three dancers in which sound, light, and movement are compositional equals. Within a glowing room constructed from hundreds of used security envelopes collected over three years, the familiar is rendered strange as the performers shift with dream-like logic from basic pedestrian movement to highly abstracted forms within an equally mutable sound score by Zach Layton, and lighting design by Kathy Kaufmann.
