Meaningful Gestures: Book Read and Performance at City Reliquary Museum, Williamsburg, Brooklyn

Saturday, November 1st, at 2pm

FREE admission.

Anabella Lenzu will be reading passages from her NEW book *Teaching and Learning Dance Through Meaningful Gestures*, show short dance videos from the ALDD repertory, and have a Q&A session.

Teaching and Learning Dance Through Meaningful Gestures is the fruition of Anabella's 35 years as a dance teacher, scholar, and pedagogue across 3 continents. *Teaching and Learning Dance Through Meaningful Gestures* explores how technique is a philosophy and a theory, and how the body is an instrument for expression.

As a 200-page book containing 250 images and 50 illustrations, *Teaching and Learning Dance Through Meaningful Gestures* is exceptional in its scope and hopes to inspire and enlighten dancers, dance educators, and the arts community alike.
