Dia Art Foundation and New York Live Arts present the New York premiere of *Boy mother / faceless bloom*, a stage work by Juni One Set, a collaboration of Senga Nengudi, eddy kwon, and Haruko Crow Nishimura & Joshua Kohl of Degenerate Art Ensemble. The work is presented in conjunction with the long-term exhibition of Nengudi's work on view at Dia Beacon, as part of Performa Biennial 2023 .

Threading mythology and autobiography, while drawing from the diverse lineages of queer, anti-colonial, and care-based artistic practices, *Boy mother / faceless bloom* is an interdisciplinary performance work. Dance, music, poetry, ritual, and sculptural installation converge to tell a story of transformation, transgression, and the formation of new transestral lines.
