Hi,

We are recent graduates from NYU looking for dancers. I am shooting a music video that would be released with my song over the summer. We think it would be a good opportunity for college students who are studying Dance. We are searching for all types of dancers in terms of appearances.

This is a collaborative project with a NYU's Tisch choreographer and we are looking for four female dancers. We are expecting to have a two or three 2 hour rehearsals from next week, but it could be less then that. The schedule will be adjusted once the dancers confirm. Most importantly the shooting will be on 7/5 from 9:00 am to 6:00 pm in the city. The dance will be in a contemporary genre. The song itself is very cheerful and humorous.

There will be a little compensation for the dancers.(\$50) Please let me(sh3077@nyu.edu) or Heidi(hjy280@nyu.edu) know if any of you are interested to be on board.

We would kindly like to ask you to attach a resume and headshot when sending the inquiry.

Thank you,

Soo and Heidi
