Yvonne Rainer, film

Cathy Weis Projects presents a film by Yvonne Rainer as part of its Fall 2024 Sundays on Broadway Series.

Yvonne Rainer's feature-length film *Journeys From Berlin/1971* emerged from her yearlong residency in West Berlin during the Bader-Meinhof protests against the continued prominence of Nazi sympathizers in the West German government. The film was completed in 1980. (Run time: 125 minutes.) The screening will be followed by a discussion with the audience led by Rainer.

About Sundays on Broadway

Founded by choreographer and video artist Cathy Weis in spring 2014, the one-night-only events bring together both luminaries and newcomers of downtown performance, creating a space for artists to perform and discuss their work and processes with audiences in the intimate setting of Weis's SoHo studio. Since its inception, Sundays on Broadway has presented the work of more than 170 choreographers, filmmakers, performers, musicians, and visual artists. About the series, Robert Greskovic of *The Wall Street Journal* writes: "While the atmosphere evokes New York in the 1970s, the artistry on view feels up to the minute."
