Come learn some crazy Creature moves! Our physicality is derived from contemporary Modern dance rooted in strong technique, improvisation, and fearlessness. Simultaneously the voice is incorporated organically and experimentally. The classes, centered on athleticism, musicality, creativity, and quality of movement evolve from a thorough physical and vocal warm-up into larger dance phrases, and theatrical expression. Dancers of all levels will be challenged to push the limits of their physical and vocal exploration and overall performance confidence.

Every Tuesday from 1-3pm at 100 Grand. \$10 cash/check.
