Composer seeking Choreographer for Finnegans Wake Music and Dance Piece

Company: Joe Fee Music
Location: New York, NY

► [Share](#) | [Print](#) | [Download](#)

Music Composer seeks a Choreographer for a new work combining music, dance, and acting using the text of Finnegans Wake. Choreography is needed for three dancers and the movements of an actress who interacts with them.

I would like to test choreography for three short scenes to be rehearsed to a recording. Payment will be made for each rehearsal session.

Bio and video links of my music and work with dance can be found at joe-fee.com

Please contact info@joe-fee.com if interested.
