Fridays Oct. 6 -Nov. 17

12-2pm

\$15

Class will serve as a safe space for investigating the spontaneity, humor and messiness of performance. We will use improvisation as a jumping off point for finding a deeper connection between body and space, attempting to maintain that authenticity of movement as class progresses into more codified technical work. By feeding into our creative impulses, we will shed away our preconceived notions of style and affectation and access our own authentic performance eccentricities.
